

CARBOXY GEL

— BODY KIT —

STRETCH MARKS, CELLULITE, UPPER ARMS,

— FACIAL KIT —

FACE, NECK, HANDS, WRINKLES,
PIGMENTATION, ACNE

Safe for all skin types and easy to use.

One treatment done twice a week for 3 weeks will
fade stretch marks and smooth away cellulite dimpling.

DermaChic generates Carbon Dioxide gas bubbles
that smooth stretch marks and the skin dimpled,
orange peel look caused by cellulite.

There are no known contraindications. Use the gel as a
complement to enhance results from other treatments,
or use DermaChic as a stand alone treatment.
